Disposal Disclosure

LePage & Sons, Inc. is committed to providing the best environmentally responsible solutions to Its Customers and Community. Therefore, to fulfill State requirements, (Minnesota Statute 115A.9302), we have compiled the list below of disposal sites for your information. ***You may be responsible for any liability that results from contamination at a facility where your wastes have been deposited. Minnesota believes that its waste management systems provide substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability. You could face future cleanup liabilities if your waste is taken to a landfill that does not have adequate environmental safeguards.
